IN AND ABOUT BETHEL

The Hastings are here for the summer at their Broad Street home.

Jose Chapman is a patient at the Osteopathic Hospital in Portland.

Mr. and Mrs. Wallace Saunders are spending this week at Moosehead Lake.

Joe Hatch of Lebanon, N. H., was a week end guest of Miss Carol Flint.

Mr. and Mrs. Rauld Stevens are on the holiday week end at Small Point.

Peter Howard of Millinocket was a holiday week end guest of Vivian Brown.

Stanley Davis is studying at Graham State College for six weeks this summer.

Miss Julia Brown spent the week end in Brunswick as the guest of Marion Downing.

The Addison Saunders of Dover, N. H., visited with friends and relatives in town this week.

Mr. and Mrs. James Hutchins and Susan were in Boothbay Harbor Sunday to see their son, David.

Mr. and Mrs. Charles Thayer of Bangor were week end guests of Mr. and Mrs. Richard J. Brown.

Fred Currier and James Tuttle of Hartford, Conn., have been visiting Mr. and Mrs. John Currier and family.

Mr. and Mrs. Ralph Berry were guests of Gertrude and Ruby Tapp at Keewaydin Lake a few days last week.

Ronald Coolidge of Quincy, Mass. spent the week end with his grandparents, Mr. and Mrs. Wallace Coolidge.

BETHEL EPISCOPAL SERVICES SUSPENDED

Services at Episcopal Chapel of Christ the King have been temporarily discontinued through the summer months. In the fall, the Bishop of the Diocese of Maine together with the Department of Missions will sponsor a plan for the continuance of services at the Chapel in the future. Temporary discontinuance is due to the loss of the previous rector, Rev. Charles W. Nelson, who recently moved to Hampton, N. H. It is hoped that churchmen in the area will attend services in New Bedford or Gorham, N. H.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The highway department does not haul gravel to prepare drive-ways for tarring. This work should be done through contractors.

The latest plans call for tarring to start the week of the 10th.

The Town Road Improvement Funds are to be spent on the Chandler Hill Road and the project to be done in August.

The Electrical Code has been revised to permit a person doing work to notify the inspector after work is completed instead of having to apply before any work is done.

100 STAND BY AS PAIR WRESTLE TROOPER AT BRYANT POND

A 20-minute wrestling match between a state trooper and two Berlin, N. H., men at Bryant Pond, Monday, was halted when out of a group of about 100 on-lookers an unidentified passerby came to the aid of the trooper identified as Gerald Smith, Bethel.

Charged with intoxication and assault on State Trooper Gerald G. Smith of Bethel were Elmore J. Labonville, 49, and Joseph Rene Jules Bolduc, 28.

The trooper said the two men drove up while he was issuing a warning to another motorist and Bolduc began a verbal assault on him. When Smith threatened to arrest him and attempted to force Bolduc into the cruiser, Labonville came to his aid and the two men initiated the wrestling match.

Reportedly some 100 persons stopped to watch but none offered aid despite the fact he summoned aid "from two or three big young guys."

Smith said he refrained from using his gun or flashlight "for fear of starting a riot."

With the aid of the passerby, the trooper was able to handcuff Bolduc, but his companion got away. Labonville was apprehended a short time later in South Paris.

The pair are scheduled to be arraigned Friday in the District Court in South Paris.

Arthur Gacher is a patient at the Bethel Hospital, Lewiston.

GOULD ACADEMY NAMES ASSISTANT HEADMASTER

The appointment of Samuel Bigelow, formerly of The Manlius School, Manlius, N. Y., as Assistant Headmaster of Gould Academy was announced by Edward H. Scheibler, Headmaster, last Friday, July 1. The appointment was effective immediately.

Samuel Bigelow

Mr. Bigelow, an honors graduate of St. Mark's School, Southboro, Mass., received his B. A. degree from Yale University and his L.L.B. degree from the University of Virginia. He has also since carried out additional advanced study at the NDEA Institute of St. Lawrence University, Canton, N. Y.

Drawing upon a career of wide experience, Mr. Bigelow served in a management capacity with the Actina Casualty and Surety Company in the New England area for a number of years. During World War II, with the rank of lieutenant commander, he served in the Pacific War Theater in command of a small war vessel.

Mr. Bigelow's educational experience includes positions both at the Cardigan Mountain School, Canaan, N. H., and at The Manlius School, Manlius, N. Y. In both of these institutions his duties covered a significant scope of responsibilities ranging from administrative duties to instruction in French, English and Latin.

In his capacity as Assistant Headmaster of Gould Academy, Mr. Bigelow will direct and coordinate the student college and personal life programs and will assume a substantial responsibility in the student and alumni functions as well as in supervising a variety of other administrative duties vital to the school.

Mr. Bigelow and Mrs. Bigelow, the former Sarah H. Stevens, have four children.

Mrs. Norwidge Ballou returned to Helle Helle, Fla., last week after spending a two weeks vacation in the Adirondacks and Frenchtown, N. H.

PLANNING BOARD TO HOLD PUBLIC MEETING

NEXT TUESDAY EVENING

The Bethel Planning Board will hold a public meeting at Odeon Hall on Tuesday evening, July 11 at 8 p. m. for the following purposes:

1. To discuss the proposed comprehensive plan for the Town of Bethel as prepared by James W. Sewall Company and the Planning Board.

2. To discuss proposed subdivision regulations for the Town of Bethel.

3. To discuss proposed changes in the Zoning Ordinance of the Town of Bethel.

A special town meeting will be held not less than ten days following this meeting to act upon any proposed changes in the Zoning Ordinance including the change submitted by petition prior to the special town meeting of June 7, 1967 to eliminate all zoning requirements in Rural Residential and Farming Districts ("R-F"). Other changes which have been suggested concern modifying the requirement that any building lot must about 20 feet on a public way and an easement of the area requirements for construction of buildings in the "R-F" zones.

The proposed subdivision regulations and the present Zoning Ordinance are reproduced in full on pages 7, 8 and 9 of this issue of the CITIZEN.

A limited number of copies of the Comprehensive Plan are available at the Town Manager's office for those who wish to study them prior to the public meeting on July 11. There may be borrowed but should be returned so that they will be available to those attending the public meeting.

HOSPITAL ADMINISTRATOR TO SPEAK AT SENIOR CITIZENS MEETING

Tuesday, July 11, is the date of the regular monthly meeting of the Senior Citizens. The place is Bear River Grange Hall. Lunch will be served by the ladies of the Grange.

The guest speaker will be F. E. Boulter, administrator of Bethel Community Hospital who will speak on Medicare.

Refreshments in planned and it is hoped there will be good attendance.

SONGO POND WATER

In response to the summer season, the water supply at Songo Pond for swimming is reported to be good. A water sample has been sent to the State Health Department for analysis. An official report will be made available as soon as it is received.

Mr. Richard J. Jones, guest speaker at the meeting of the Bethel Community Hospital, will speak on Medicare.

FRESH WELCOME EXTENDED NEW N. T. L. ARRIVALS

A fresh welcome is extended this week to new arrivals for the National Training Laboratories sessions, on behalf of the Greater Bethel Chamber of Commerce community relations committee.

Wives of delegates and staff, and female staff members, are cordially invited to attend a welcome coffee at the home of Mrs. John Tebbets, Eden Lane, Tuesday morning, at 10 o'clock. Guests are asked not to wear heels shoes as the event will be out of doors. Courtesy of the Chamber children of the visitors will be cared for during the coffee hour. Further arrangements information is available from Mrs. S. H. Timberlake, 4-2234, or Mrs. Richard Albertson, 4-2446.

Other local events, and plans for bridge, parties, tours, etc. will be announced through the "Wives' Letter," or at the Gehring Dormitory coffee hours, Monday, Wednesday and Friday.

NEWLY TAX RECEIPTS TOTAL NEARLY \$11,000 FOR MONTH OF JUNE

A total of \$10,992.93 in taxes was collected in June according to a report filed with the selectmen Monday by the tax collector, Mary B. Trapp. Of this amount \$10,671.19 was 1967 taxes, \$379 in 1966 taxes and \$31.96 excise tax. The June collections bring the total 1967 taxes collected to \$11,230.47 plus discount allowed of \$271.04 for a total of \$11,501.50 from a commitment of \$23,732.62 plus supplemental taxes of \$1 or \$2.741.62. This means that 50% of the 1967 taxes have been collected since the bills were mailed out May 15.

Total receipts for the year including the January 1 cash balance of \$9,471.54 equals \$23,973.07 with expenditures of \$10,480.14, leaving a cash balance of \$10,932.73. To date it has not been necessary to negotiate a tax anticipation loan and it is anticipated that the town might get through the fiscal year ending December 31 without doing so.

The town books for the last fiscal year were audited last month by P. Roy Woodhouse, of Bethel.

A power order for the highway department has been ordered from Howard P. Fairfield by Supervisor the law officer of a piece of \$500 retained. The town will be driven to Shawhegan, N. H., for installation.

It is anticipated that turning of the town work will be done by State Highway Department crews in September.

The annual payment to SAG 44 in the amount of \$9,200 which represents one third of Newey's share of school operating costs was due August 1 and will be made soon thereafter.

Mr. and Mrs. Frank B. Jones, guest speaker at the meeting of the Bethel Community Hospital, will speak on Medicare.

BETHEL SELECTMEN NAME WATER DISTRICT TRUSTEES

At a special session of the Bethel Board of Selectmen Wednesday evening appointment was made of three trustees for the Bethel Water District. The formation of the District was approved by local voters in a special referendum on June 7.

Named to the District positions were Dana G. Brooks, Albert W. Buck and Dan W. Manson.

Mr. Brooks is a member of the firm of Brooks Bros. Inc., hardware and oil dealers.

Now associated with Luce Oil Co., Mr. Buck had for about 20 years operated a service station on Railroad Street, before taking his present position this past May.

A resident of Bethel for several years, Mr. Manson is employed by the Brown Company of Berlin, N. H.

According to the Act forming the District, approved by the voters, the trustees shall determine among themselves the term of each member. One member's term shall expire each year, with the Board of Selectmen appointing a successor for a three year term.

MOTORCYCLE ACCIDENT ENDS LIFE OF GORHAM, N. H. MAN AT GILEAD TUESDAY

A New Hampshire man was killed when the motorcycle he was riding was involved in a head-on collision with another vehicle on Route 2 in Gilead late Tuesday morning.

State Trooper Gerald Smith, Bethel, identified the dead man as Earl C. Oliver, 50, of Promised Land, Gorham, N. H.

Apparently Mr. Oliver was traveling north when he collided with an auto driven by Harry R. Burkhardt, Del Norte, Colo. The vehicles met on a curve near the Maine-New Hampshire line.

Reeling with Mr. Burkhardt was his wife Edith. They were not injured in the 11 1/2 crash, it was reported.

Oliver's impact with the motor cycle, a 17-foot compact trailer which Burkhardt was hauling broke loose and went across the road striking a ledge, offshoots of the trailer and the motorcycle. The motorcycle was a total loss.

A passing motorist, Dr. Susan J. Mellette, 1204 East Broad St., Medical College, Richmond, Va., stopped at the scene. After the scene was cleared, she was taken to the Bethel Hospital.

At the scene were State Police Sgt. Albert Jackson, Asst. Bethel, and a Maine State Trooper, Edward Martin, Maine State Trooper, Sheriff George Gilbert, Bethel, and several Gilead residents.

Mr. Burkhardt, 40, of Del Norte, Colo., was in the auto when it was involved in the collision. He was not injured.

RESOLUTION OF RESPECT

Whereas once again the Great Master has entered Bear River Grange and called our Brother Raymond Celden Foster to the Great Grange above.

Be it resolved that Bear River Grange has lost a Worthy Brother.

Gone is the face we loved so dear
Silent is the voice we loved to hear
Too far away for sight or speech
But not too far for thoughts to reach.

God saw the road was getting rough
The hills were hard to climb
He closed his eyes in living sleep
And whispered rest be thine.

Be it resolved that a copy of these resolutions be placed upon our records, that a copy be sent to the family of our departed Brother, that a copy be sent to the Oxford County Citizen for publication and that our charter be draped for thirty days.

Being a lowery day only 3 cars were up Farnum's hill. They couldn't get the lovely view of sunny days.

July 3, the Al Marine's came home Sunday at sundown.

Donnie Pike fixed the windshield wiper on F. Brown's car Monday in the rain.

July 3, F. Brown is fishing in the rain.

stock Extension, will be held July 11, 7 to 9 p. m. at Woodstock High School. It will include lectures, question and answer period and movies. Anyone holding a valid driver's license is welcome.

RESOLUTION OF RESPECT

Whereas once again the Great Master has entered Bear River Grange and called our Brother Raymond Celden Foster to the Great Grange above.

Be it resolved that Bear River Grange has lost a Worthy Brother.

Gone is the face we loved so dear
Silent is the voice we loved to hear
Too far away for sight or speech
But not too far for thoughts to reach.

God saw the road was getting rough
The hills were hard to climb
He closed his eyes in living sleep
And whispered rest be thine.

Be it resolved that a copy of these resolutions be placed upon our records, that a copy be sent to the family of our departed Brother, that a copy be sent to the Oxford County Citizen for publication and that our charter be draped for thirty days.

20 SECONDS WITH THE NAZARENES

Being prepared, I am.
I can make it right.
What is so day to day?
Nazarenes, as they
I am afraid to touch
Things that involve so much—
The trembling hand may shake,
The skill-less hand may break;
There can make no mistake.

NEW DISPLAYS OPENED AT JOSEPH SMITH MEMORIAL

The opening of new displays, exhibits, and tours of the Joseph Smith Memorial, took place at official ceremonies at Bethel, Vt., Sunday, June 4.

Gov. G. Moulton, Governor of Vermont, conveyed the greetings and words of Governor Philip H. Hoff for the development of the Memorial as a historic site.

The Memorial, which marks the birthplace of Joseph Smith, founder of the Church of Jesus Christ of Latter-day Saints, received the approval of government officials as a historic and religious landmark.

"The Memorial, today, joins a nation-wide system of historic sites known as 'The Mormon Trail' which extends across the United States and marks the migration of the Church to the Rocky Mountains and the founding of the State of Utah," said Dr. Boyd K. Packer, Assistant to the Quorum of Twelve Apostles of The Church of Jesus Christ of Latter-day Saints, and the President of The New England Mission.

"The Mormon Trail begins at the Joseph Smith Memorial, and includes historic sites in New York, Ohio, Missouri, Illinois, Idaho, Montana, and California."

"Thousands from throughout the world visit the Memorial each year," continued Dr. Packer. "There is no charge and we especially want to invite all New Englanders to visit the birthplace because many of the early leaders of the Church came from the region and our heritage is closely associated with the six New England States."

Elder Merrill Parkin, Director of the Memorial noted that in addition to the new displays and exhibits, travelers will have the advantage of brief, informal tours through the buildings and grounds.

"With the additional 'travel' generated by 'Expo '67', we expect to have another record year," he said.

The parsonage 364-3697. The people will be served inside of the church in case of inclement weather. Everyone is welcome.

MOANS Meet at Bethel

On Sunday, July 2, the Bethel Chapter of the Maine Ornate Auto League was held to a rally in Bethel. Cars ranging in age from 25 to 50 years were represented. About 100 cars were present.

Among the cars were: 1929 Model A, right, Brian Trapp, Watton, with a 1951 Model A Station Wagon shown at right. 1925 Chevrolet, Bud Hawthorne, Bethel. 1925 Ford, Shirley Kern, Merchants Falls, and a 1932 Plymouth, Robert Russell, Hartford. Other cars were: Cy Cole, of Gilead, with a 1914 Ford; Greg, Berry, Gorham, N. H., 1930 Ford; Lloyd Davis, Watton, 1923 Ford; Dan Pray, West Paris, 1923 Ford; and Bob Cushing, Farmington, with a 1923 Ford.

Head Start classes for preschoolers are scheduled to begin Friday at Waterford Memorial School.

Larry Fournier of Norway, 20 years old, a freight dispatcher for Sanborn's Motor Express, Norway, recently won the New England table tennis championship at Greenfield, N. H. Mr. Fournier is confined to a wheel chair being crippled by polio when he was six months old. He is much interested to organize a campaign to encourage wheelchair sports in Maine.

Western Maine Forest Nursery Co. of Fryburg has purchased a warehouse, the Charles Fox House, and an adjoining building. Reportedly these buildings will be demolished. Plans are to build a modern packing house for shipping wholesale and retail orders of evergreens. The building will be 140 feet long and 50 feet wide with 7,000 square feet of working space. The nursery company has over 100 acres under cultivation. During peak operation they employ over 50 men and women.

Bethel Zoning Ordinance As Adopted March 6, 1967

ARTICLE I — PREAMBLE

Section 1—Authority and Jurisdiction

This ordinance has been prepared in accordance with the provisions of Title 30, Maine Revised Statutes of 1965, as amended, and shall be effective throughout the Town of Bethel, Maine.

Section 2—Title

This ordinance and the accompanying official zoning map shall be known as and may be cited as the "Zoning Ordinance, Town of Bethel, Maine".

Section 3—Purpose

The purpose of this ordinance is: to promote the health, safety, and general welfare of the residents; to encourage the most appropriate use of land throughout the municipality; to promote traffic safety; to provide safety from fire and other elements; to provide a wholesome home environment; to prevent housing development in unsanitary areas; to provide an adequate street system; to promote the coordinated development of unimproved areas; to encourage the formation of community units; to provide an allotment of land area in new developments sufficient for all the requirements of community life; to conserve natural resources; and to provide for adequate public services, as an integral part of a comprehensive plan for municipal development.

Section 4—Repeal of Conflicting Ordinances

Any existing ordinances or such parts thereof as may be inconsistent herewith are repealed.

Section 5—Validity

Should any section or part of a section or any provision of this ordinance be declared by the courts to be unconstitutional or invalid, such declaration shall not affect the validity of the ordinance as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 6—Amendments

The Town Meeting may from time to time amend this ordinance pursuant to Title 30, Chapter 239, Sections 4052 and 4053, Maine Revised Statutes of 1965, as amended.

Section 7—Effective Date

This ordinance shall take effect and be in force after its adoption by the Town.

ARTICLE II—ESTABLISHMENTS OF DISTRICTS AND BOUNDARIES

Section 1—Classes of Districts

For the purpose of this ordinance, the town is hereby divided into the following classes of districts or zones:

Residential Districts to be known as "R" zones.

Commercial Districts to be known as "C" zones.

Industrial Districts to be known as "I" zones.

Rural Residence and Farming Districts to be known as "R-F" zones.

Section 2—Rules Governing District Boundaries

The boundaries of these districts are hereby established as shown on the Official Zoning Map. Said map is hereby made a part of this ordinance and shall be on file in the office of the Town Clerk.

Unless otherwise indicated, the district boundary lines are the nearest lot lines, the center lines of streets or such lines extended, the center lines of water courses or such lines extended, or the town boundary lines. Distances may be determined where necessary by the scale of the map. Questions concerning the exact location of district boundaries shall be decided by the Board of Appeals.

ARTICLE III—DISTRICT REGULATIONS

Section 1—General Residential District "R-1"

A. Intent and Purpose.—The "R-1" District is established as a zone in which the principle use of the land is for single-family dwellings, together with the recreational, educational, and religious facilities which will encourage the development of well-rounded neighborhood living. Also included in the "R-1" District are adjacent open areas where similar residential growth appears likely. Any future development which does not perform a neighborhood function, or which would interfere with the character of the district is prohibited.

B. Uses Permitted

1. Single-family dwellings, except mobile homes.

2. Private, non-commercial stables, provided they are not closer than 100 feet to any property line.

3. Public and private schools and related facilities including dormitories provided that the buildings are placed no closer than 40 feet from any property line.

4. Churches, provided that they are located on a major street and the buildings are placed not less than 40 feet from any property line.

5. Public facilities and grounds.

6. Customary home occupations including the office of a physician, dentist, lawyer, artist, musician, architect, engineer, beautician or the accommodation of not more than 2 boarders or roomers provided that:

a. there is no external evidence of such operation except a business sign not more than 3 sq. ft. in area; and

b. the operations are conducted within a dwelling by not more than two persons in addition to those living therein.

7. Agriculture, including the commercial raising of livestock, poultry, or any other use which is not a nuisance or offensive to the neighborhood.

C. Exceptions

1. Nursery schools.

2. Nursing homes and medical facilities.

3. Two-family dwellings and multi-family dwellings.

4. Inns, hotels, and tourist homes.

5. Neighborhood retail or service businesses.

6. Individual mobile homes provided they meet requirements of single family dwellings.

D. Space and Height Requirements

1. Minimum Lot Area:

a. Dwellings: 10,000 square feet for the first unit plus 5,000 square feet for each additional unit.

b. All other uses: 12,000 square feet.

2. Minimum Lot Width: 100 feet.

3. Minimum Yard Depths:

a. Front Yard: 35 feet.

b. Side and Rear Yards: 20 feet.

4. Maximum Building Height: 35 feet.

5. Maximum Building Area: 50% of the lot area.

Section 2—Central Business District "C-1"

A. Intent and Purpose.—The "C-1" District is located in the center of the urban area and is established as a zone in which the principal use of the land is for business and commercial purposes. The "C-1" District is intended to encourage the concentration of commercial development to the central business district and to encourage the development of high quality commercial and service buildings which will contribute to the town's image and provide for the convenience of the community. The "C-1" District is intended to encourage the development of high quality commercial and service buildings which will contribute to the town's image and provide for the convenience of the community.

B. Uses Permitted

1. Any retail or service business which is not a nuisance or offensive to the neighborhood.

2. Any business which is not a nuisance or offensive to the neighborhood.

3. Any business which is not a nuisance or offensive to the neighborhood.

4. Any business which is not a nuisance or offensive to the neighborhood.

5. Any business which is not a nuisance or offensive to the neighborhood.

2. Business and professional offices and banks.

3. Public utility, passenger transportation and communication facilities.

4. Indoor recreation and amusement facilities.

5. Public and governmental facilities.

6. Business signs.

7. Schools.

8. Inns, motels, hotels, and tourist homes.

9. Dwellings.

10. Newspaper and printing plants.

11. Semi-public and private clubs, fraternal organizations and institutions.

12. Churches.

13. Customary home occupations which meet the requirements of the "R-1" District.

C. Exceptions

1. Any retail use involving outdoor sales services or storage, such as gasoline service stations, building supplies, automobiles, trucks and other vehicles, farm machinery, boats, trailers, mobile homes, trees, shrubs, other nursery products, but excluding automobile graveyards, or junkyards.

2. Outdoor recreation and amusement facilities.

D. Space and Height Requirements

1. Minimum Lot Area:

a. Dwellings: 15,000 sq. ft. for the first unit plus 5,000 sq. ft. for each additional unit.

b. All other uses: no minimum.

2. Minimum Lot Width:

a. Dwelling: 100 feet.

b. All other uses: no minimum.

3. Minimum Yard Depths:

a. Front Yard: None.

b. Side Yards: None required, but 10 feet if provided.

c. Rear Yard: 10 feet.

4. Maximum Building Height: 45 feet.

5. Maximum Building Area: unspecified.

Section 3—Highway Commercial District "C-2"

A. Intent and Purpose.—The "C-2" District is established as a zone in which the principle use of the land is for establishments offering accommodations, services, or supplies to motorists, and in which vehicular access and parking is of primary importance. Also compatible with this district are certain specialized business uses which although serving the entire town and its trade area do not and should not locate in the central business district. The "C-2" District, ordinarily located along numbered state or federal highways or other roads designated as major streets, is intended to help control commercial sprawl along the highways by grouping together those businesses which are most advantageously located outside the downtown area.

B. Uses Permitted

1. Any use permitted in the "C-1" District.

2. Any retail use involving outdoor sales services, or storage but excluding automobile graveyards or junk yards.

C. Exceptions

1. Veterinary hospitals or kennels.

2. Mobile home parks.

D. Space and Height Requirements

1. Minimum Lot Area:

a. Dwellings: 15,000 sq. ft. for the first unit plus 5,000 sq. ft. for each additional unit.

b. All other uses: 15,000 sq. ft.

2. Minimum Lot Width:

a. Residential: 100 feet.

b. All other uses: 150 feet.

3. Minimum Yard Depth:

a. Front Yard: 35 feet.

b. Side and rear yards: 20 feet.

4. Maximum Building Height: 35 feet.

5. Maximum Building Area: 50%.

Section 4—General Industrial District "I"

A. Intent and Purpose.—The "I" District is established as a zone in which the principal use of the land is for industry and associated uses. It is intended to provide for the development of manufacturing, construction and related activities in a zone which is separated from residential areas and which is located near major transportation facilities.

B. Uses Permitted

1. Industries provided that they shall comply with Federal and State standards regarding water and air pollution. Industries shall be required to provide to the Board of Appeals that the proposed location, construction and operation will not cause a nuisance or interfere with the enjoyment of the district.

2. Businesses customarily serving such districts.

3. Public utility transportation or communication facilities.

4. Warehouses, truck terminals and storage facilities.

5. Bulk oil and fuel stations.

6. Research facilities.

7. Residential uses limited to farmsteads or with minimum setbacks of 100 feet.

C. Exceptions

1. Junk yards and automobile graveyards.

D. Space and Height Requirements

1. Minimum Lot Area: 10,000 sq. ft.

2. Minimum Lot Width: 100 feet.

3. Minimum Yard Depth:

a. Front Yard: 35 feet.

b. Side and rear yards: 20 feet.

4. Maximum Building Height: 35 feet.

5. Maximum Building Area: unspecified.

Section 5—Rural Residence and Farming District "R-F"

A. Intent and Purpose.—The "R-F" District is established as a zone in which the principal use of the land is for rural residence and farming. It is intended to provide for the development of rural residential and farming uses in a zone which is separated from urban areas and which is located near major transportation facilities.

B. Uses Permitted

1. Agriculture, including the commercial raising of livestock, poultry, or any other use which is not a nuisance or offensive to the neighborhood.

2. Single family dwellings.

3. Industries provided that they shall comply with Federal and State standards regarding water and air pollution. PROPOSED SUBDIVISION REGULATIONS

continued on more than one sheet with an index map on a separate sheet of the same size.

The preliminary plat shall contain the following information:

A. Proposed subdivision name or identifying title, and acreage to be subdivided.

B. Names and address of owner of the property to be subdivided and owners of adjoining property.

C. Date and north point.

D. Ground elevations based on the datum plane of the U. S. Geological Survey by contours at an interval of two feet or closer, a tie to one or more bench marks based on the U. S. Geological Survey, and such street cross sections and profiles as may be required by the Planning Board. Such data shall be prepared by qualified persons.

E. Boundaries of the tract to be subdivided by bearings and distances.

F. Location, width, and distances of existing and proposed easements.

G. Names and dimensions of existing and proposed streets on or adjacent to the tract.

H. Location, type, and dimensions of existing and proposed sanitary sewerage, storm drainage, and water supply facilities and other utilities on or adjacent to the tract, showing proposed connections.

I. Lot lines with appropriate dimensions and lot numbers.

J. Present zoning classification.

K. Vicinity map showing locations of subdivision and its relationship to the rest of the town and surrounding countryside. This may be shown at smaller scale.

Section 6—

Other Studies To Be Made When Required

The preliminary plat shall be accompanied by any other studies the Planning Board, other municipal department or public utility deem necessary or desirable to protect and assure the health and safety of the residents of the municipality, including the future occupants of such subdivision, whether residential, industrial, commercial or other.

ARTICLE III—FINAL PLAT PROCEDURE

Section 1—Certificates of Completion

After the tentative and conditional approval of the preliminary plat, and before approval of the final plat, there shall be filed with the Planning Board by the subdivider certificates as to the satisfactory completion of all improvements required, and for any requirements not so completed, a certificate by the Municipal Officer as to the sufficiency of the bond offered in lieu thereof.

Submission of the final plat shall be accompanied by a fee of \$300 for the first lot plus \$200 per each additional lot.

Section 2—Review of Final Plat

The Planning Board shall review the final plat for conformance with the tentative approved preliminary plat and with the rules specified in these regulations. The final plat may be approved, disapproved, or approved subject to modification. The failure of the Planning Board to issue a written notice of its decision, directed to the applicant, within 30 days after a proposed final plat has been submitted constitutes its disapproval. The grounds of disapproval of any plat shall be stated in the records of the Planning Board.

An appeal may be taken from the decision of the Planning Board to the Superior Court in the same manner as set forth in Article II, Section 2 of these regulations.

Section 3—Recording of Final Plat

Upon approval of the final plat, with the signature of the secretary of the Planning Board thereon, the subdivider shall have the plat recorded in the Registry of Deeds of the County. A copy of each approved subdivision shall be filed with the Municipal Clerk.

Section 4—Information and Data To Be Shown on Final Plat

The final subdivision plat submitted for approval and recording shall be in one original copy, clearly and legibly drawn to ink upon tracing cloth or other durable and reproducible medium, and shall be accompanied by three copies. The scale and sheet size shall be as for the preliminary plat, and the plat shall have been prepared by a qualified person.

A. Exact location and description of monuments.

B. Exact locations, widths, and names of all streets within and immediately adjoining the plat

C. Street center lines showing angles of deflection, angles of intersection, radii, and lengths of tangents.

D. Lot lines with dimensions of bearings.

E. Lots numbered in numerical order and blocks lettered alphabetically.

F. Locations and dimensions of all improvements and easements.

G. Private covenants or restrictions, if any, either recorded on the final plat or on an identified document attached to the final plat.

ARTICLE IV—REQUIREMENTS AND STANDARDS FOR SUBDIVISIONS

Section 1—Conformance to Major Street Plan

Where applicable, streets and other proposals and specifications of the Major Street Plan shall be incorporated into the subdivision plat, in the location and to the dimensions indicated in the Major Street Plan adopted by the Planning Board. Such streets shall be decided to the municipality.

Section 2—Conformance to Future Land Use Plan

When a proposed school site, or other public building site, park playground, or other land for public use is located in whole or in part in the subdivision, the Planning Board may require that as a prerequisite to plat approval, on a site shall be reserved by the subdivider for acquisition by the appropriate public agency.

Whenever a plat proposes the dedication of land to public use that the Planning Board finds not required or suitable for public use, the Board shall refuse to approve the plat.

Section 3—Suitability of Land

Land subject to flooding and land deemed by the Planning Board to be unsuitable shall not be platted for residential occupancy or for any other use as may increase danger to health, life or property, but such land within the plat shall be set aside for such use as shall not produce unsatisfactory living conditions.

Section 4—Subdivision Names

The name of the subdivision shall not duplicate or too closely approximate the name of any other subdivision within the municipality.

Section 5—Large Parcels

In case a tract is subdivided into larger parcels than ordinary building lots, such parcels shall be arranged so as to allow the opening of future streets and local future subdivisions.

Section 6—Lots

Lots shall front onto a public street. The lots shall be rectangular, or nearly rectangular, and shall conform to the requirements of the Zoning Ordinance for the district in which the lots are located. The subdivision of large parcels into lots shall be in accordance with the provisions of these regulations so that any structure to be placed thereon shall conform to the minimum setbacks from the street as required in the Zoning Ordinance.

Section 7—Blocks

The length shall not exceed 1200 feet or be less than 500 feet and the width sufficient to provide for two lanes of traffic, but not regularly shaped lots shall be located at the ends of streets or at the ends of blocks. The subdivision of large parcels into lots shall be in accordance with the provisions of these regulations so that any structure to be placed thereon shall conform to the minimum setbacks from the street as required in the Zoning Ordinance.

Section 8—Streets

A. Continuation. The arrangement of streets in the subdivision shall provide for the continuation of the present streets in adjoining subdivisions, or for the proper integration with adjoining streets and not set back, and shall conform to the Comprehensive Plan.

B. Names. Street names shall separate the subdivisions of the Planning Board. Streets that are already in alignment with streets already existing and named shall be given the name of the existing street. Names of new streets shall not duplicate or closely approximate those of existing streets.

C. Jogs. Streets with center line offsets of less than 25 feet shall not be permitted.

D. Dead-End or Cul-De-Sac Streets. Dead-end or cul-de-sac streets shall not be greater in length than 500 feet. They shall be provided at the closed end with a turn around having a roadway line radius of at least 65 feet with an adequate pavement radius of at least 50 feet.

E. Street Intersections. Street intersections shall be as nearly at right angles as possible. No street intersection shall be at an angle of less than 60 degrees unless required by unusual circumstances. The center lines of no more than 2 streets shall intersect at any one point except where approved by the Planning Board.

F. Geometric Standards

Section 9—Curb Radii

Curb radii at street intersections of 90 degrees or greater shall be at least 25 feet. Where the angle of street intersection is less than 90 degrees, a radius of at least 30 feet shall be required.

Section 10—Easements

Easements across lots shall be provided where necessary for utilities or drainage. Such easements shall be centered on rear or side lot lines wherever possible and be wide enough for the purpose for which they are intended.

Section 11—Preservation of Natural Features

Natural features such as trees and views shall be preserved wherever possible.

ARTICLE V—REQUIRED IMPROVEMENTS IN SUBDIVISIONS

Section 1—Monuments

The subdivider shall install two concrete corner monuments at least 30 inches in length and 4 inches square with suitable center point and a 4 inch diameter hole in the center of each lot corner monument. The monuments shall be installed at the corners of the lots and at the corners of the blocks.

Section 2—Curbs and Gutters

The subdivider shall install curbs and gutters where and as required by the Planning Board.

Section 3—Water Supply

Where a public water main is within 100 feet of the subdivision, the subdivider shall install a water main and water supply lines to the lots. The water supply lines shall be installed in accordance with the provisions of the Zoning Ordinance.

Section 4—Sanitary Sewerage

Where a public sanitary sewer is within 100 feet of the subdivision, the subdivider shall install a sanitary sewer and sanitary lines to the lots. The sanitary lines shall be installed in accordance with the provisions of the Zoning Ordinance.

Section 5—Storm Drainage

Where a public storm sewer is within 100 feet of the subdivision, the subdivider shall install a storm sewer and storm lines to the lots. The storm lines shall be installed in accordance with the provisions of the Zoning Ordinance.

Section 6—Street Name Signs

The subdivider shall be responsible for the erection of street name signs at all street intersections.

Section 7—Variances or Additional Improvements

Where the subdivider can show that any of these regulations would cause unnecessary hardship if strictly adhered to, and where there is a substantial benefit to the subdivision or to the community, the Planning Board may grant a variance or additional improvements that are required to be stated in writing in the minutes of the Planning Board.

Where the Planning Board may require the installation of sidewalks, planting of street trees or other improvements. Any variance thus authorized or additional improvements thus required to be stated in writing in the minutes of the Planning Board.

Planning Board with the recording of which the variance or additional was justified set forth in the minutes of the Planning Board.

ARTICLE VI—ENFORCEMENT AND PENALTIES

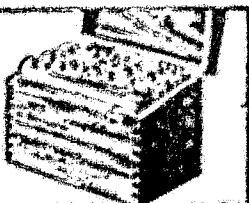

Section 1—Plat Approval and Recording

After a subdivision plat has been approved by the Planning Board, the subdivider shall cause the plat to be recorded in the Registry of Deeds of the County. The Recording of Deeds shall not be a condition of approval of the plat, but the recording of the plat shall be a condition of approval of the plat. The recording of a plat without the approval required by these regulations shall be void.

Section 2—Sale or Transfer of Lots

A person who conveys or agrees to convey any land as reference to a plat which has not been approved by the Planning Board, or is recorded in the Registry of Deeds, shall be

JUNIOR BASEBALL SUPPER

Nett about \$180

A check of ticket sales for the Junior Baseball supper held at the Congregational Church last Friday shows earnings of approximately \$180 when all expenses are taken care of.

The committee headed by Mr. George Gilbert and Mrs. Richard Blake is most appreciative of patronage, donations of food, and of the church trustees for the use of the kitchen and dining room. It was also gratifying to see response on the part of the members of the Red Sox and the Pony League team who helped with setting tables or serving.

The older boys have had two games this week—a home game with Rumford, Monday night, was lost by a score of 6-2, and a game at Mexico, Wednesday night, a loss by score of 6-3. The team is having batting practice at the local field tonight at 6 A.

A make-up game with Rumford, tentatively scheduled for Friday night, Rev. Donald Hess is being assisted in coaching the team by Sam Timberlake, who will be in charge during Mr. Hess' absence, this being his vacation month.

The Red Sox have had a quiet week after a fine opening game a week ago Tuesday when they won from West Paris by a score of 7-1. Another win came into their column last Thursday when Rumford Point lost by default.

However, the boys have been practicing Thursday at West Bethel and on Saturday afternoon and Wednesday night at home. A bye on tonight's schedule leaves them free until the next Andover game, Saturday afternoon to play a game postponed from the holiday.

The boys on Paul Bodwell's team have met both Don Benoit and Butch Grover's squads taking a loss each time. However, arrangements are underway to take the team to Andover next Monday evening to meet another new competition.

From West Bethel, a review of Butch Grover's team shows two wins for them, a 16-0 victory over Bodwell, and on the holiday eve, a 20-0 win over Don Benoit's team. No information on future meet schedules for these teams was available as of Thursday morning.

Miss Christine Stevens, Stevens-Turkison Engagement
